## **Pet Rescue Directory of Oregon and Washington**

The following is the latest version of the Pet Rescue Directory for Oregon and Washington.

This list, and the information on the website, is changing all the time. We would appreciate you notifying us if you are aware of any errors or additions to either the list or website. You can email changes to [petadmin@nwdogrescue.com](mailto:petadmin@nwdogrescue.com) or call 503-524-4372.

The web site at <http://www.nwdogrescue.com> is the best resource for the most current information on rescue groups. If you know of a group who is not on this list please have them go to the website where they can apply online or download an application. If the group does not have web access have them call the Oregon Humane Society, 503-285-7722 and an application will be mailed.

**Please note:** We have now required references (which will be checked) on all rescue group applications. No group will be approved without a reference check.

Thank you for your support.
